# Hotel Management Courses in Delhi

National & international cooperation in the fields of trade, commerce, education & sports have led to a spurt in conference catering, group living & feeding facilities. This has brought people together from different geographical & cultural backgrounds. The exposure of different kinds of food has thus created a longing for specialized catering, for which skills were lacking at home. Catering thus progressed towards specialty services providing a variety of cuisine viz. Chinese, Italian, American, Indian etc

Today the **HOTEL INDUSTRY** is the backbone of the tourist trade & important foreign exchange earners. **THE HOTEL SCHOOL** in **DELHI** offers a wide variety of **HOTEL MANAGEMENT COURSES** to suit one's interest & requirement.

### Scopes in Catering Industry

In India, with over 20 million middle-class consumers & increasing number of catering institutes which offers [Hotel Management Courses in Delhi](#), the scope of entrepreneurial development holds great promise which also increases employment.

So **THE HOTEL SCHOOL** in Delhi prepares its students in such a way that they may choose either to work in the industry or to start their own venture. If they choose to work they are given a solid platform by **THE HOTEL SCHOOL** to work abroad or in some of the finest properties at home.
